Generate your character

Type a description, and the generator renders your character.

How to generate a character

Three steps to your first original character on nabn.

1

Describe your character

Write a prompt with the details that matter — face, hair, outfit, pose, personality, and the art style you want.

2

Generate the character

Sign in, spend credits, and the tool renders your character from the description.

3

Refine the prompt

Not quite your character? Tweak the wording and generate again — small changes steer the look toward exactly what you pictured.
